*Seven cases with incomplete custody information were excluded.

This table includes immigration court cases with completions through July 13, 2010 when the data were extracted.

“Adult Status” is one of the discharge classifications used by ORR. It signifies that a UAC has been discharged from ORR custody based upon being 18 years old (or older). In this table “Completed in ORR Custody (Adult Status)” is treated as a separate and distinct category from “Completed in ORR Custody”—i.e., none of the cases included in the former category is included in the latter category.
